

» GROWING THE CITY

The plan to expand Hanoi involves redrawing the border lines of provinces Ha Tay, Phu Tho and Vinh Phuc.

- » Ha Tay province, Me Linh district of Vinh Phuc province and four communes in Luong Son district of Hoa Binh province to be merged with Hanoi.
- » Expanded Hanoi to cover 334,400ha – up from 92,200ha now. By comparison, mainland Singapore is two-thirds the size of current Hanoi.
- » Population to go up to 6.2 million, nearly double the present 3.4 million.
