

## WHAT'S NEW

### MACHINE 1

- Cash deposit without passbook or ATM card.
- Previously, you needed either your passbook or ATM card to deposit cash.

### MACHINE 2

- Staff-assisted cash withdrawal using passbook, but staff will verify your identification details first.
- Previously, you needed your ATM card to withdraw cash.

### MACHINE 3

- Cheque deposit with receipt option.
- Previously, there was no such machine. You slipped your cheque into a collection box.
