Total population
55,586

ABOUT THE CONSTITUENCY

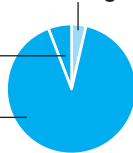

- Created in 2011 after it was carved out from Pasir Ris-Punggol GRC.
- Part of the troubled Aljunied-Hougang-Punggol East Town Council, which has come under scrutiny for its mismanagement of town council funds.
- Scene of a four-way by-election in 2013, after the resignation of PAP MP Michael Palmer. Ms Lee won with 54.5 per cent of votes.
- It has shaped up to be a hot battleground, with the PAP banking on long-serving MP Charles Chong to take the ward back.
